Poznań, 8.07.2021

ICSF Board Members

*Dear Friends in Castingsport,*

Due to the requirements of sanitary services, logistical and organizational problems and concern for the safety of participants of the Junior World Championships, I am forced to move the competition to Tarnow Podgórze. At present, the Maraton Hotel in Szamotuly is too small to accommodate all participants and additionally allocate 4 rooms for a possible quarantine for people infected with COVID-19. Accommodation in Hotel 500 meets all safety requirements and is reserved for all participants and the competition staff. The competition will take place at the Tarnovia Football Club Stadium, which is 1 km away from the Hotel 500.

The stadium is a full-size football pitch with full technical facilities, on which there is also a multimedia board for the presentation of advertisements and competition results. The pitch meets all the conditions for hosting the Junior World Championships.

In connection with the above, the name of the competition is changed to:

## **Junior World Championships - POZnań 2021**

The date and schedule of the competition is unchanged: **August 12-15, 2021**

### **Principles of sanitary safety**

due to the requirements of sanitary services and concern for the safety of World Championships participants and the need to designate additional 4 rooms for quarantine in case of COVID 19 infection, I had to change the place of accommodation to the 500 hotel in Tarnowo Podgórze, which has more rooms.

As an organizer, I present the rules that will apply during the competition:  
Each participant of the competition must be:

#### **1. Persons:**

coaches, team leaders, guardians, referees and technical service of the competition and accompanying persons:

[European Union COVID-19 vaccination certificate](#)  
[or an "current" negative COVID-19 PCR test](#)

#### **2. Juniors players:**

European Union COVID-19 vaccination certificate  
[or an "current" negative COVID-19 test](#)

Before registering at the hotel, the organizer's medical services will perform the SARS-CoV-2 antigen test for each participant and measure the temperature.

Each participant must complete a declaration of no contact with a person infected with COVID-19.

The organizer will provide all participants with:

- hand disinfectant
- medical masks

The hotel service will prepare rooms in accordance with the applicable sanitary regulations.

The banquet hall will be extra disinfected and purged with ozone.

Masks are required to be worn throughout the hotel, with the exception of the restaurant and the banquet hall. In the event of COVID-19 infection, the organizer has 4 separate rooms in the hotel 500, which will be used for quarantine.

Attached:

- Organizational Communication No. 2,
- Current regulations for traveling to Poland

Regards

Dionizy Mikołajczyk
