Berlin, 20 June 2021

Important information for the Junior World Championships in Szamotuly, the World Championships in Budapest and the World Masters in Bad Kreuznach

Dear Castingsport Federations,

the ICSF is asking you to prepare for the upcoming international championships in Poland, Hungary and Germany. Due to the COVID-19 situation it is absolutely necessary for the preparations of the hosting federations **to announce** your participation and the **number of persons** of your delegation (casters, coaches, International Judges and other delegation members).

We will kindly ask you to send this information as soon as possible, latest **30.06.2021** for Junior World Championships in **Szamotuly/Poland**, **15.07.2021** for World Championships in **Budapest/Hungary** and **24.07.2021** for World Masters in **Bad Kreuznach/Germany** to the organizing teams. Missing invitations will follow soon.

We also want to ask the **hosting federations** to send the **local hygiene/health concept** to all participating nations or please **integrate this in your invitation** if not done yet. For several countries it is necessary to know about the local rules concerning the behavior in the pandemic.

You also get the ICSF-COVID-19 Protocol concerning the safety measures during ICSF-Castingsport Events as well as a self-declaration form that must be filled out and signed personally and that every participant must submit for the registration.

Please help make these international events a big and successful experience for all of us. Thank you.

With thanks for your efforts, I remain,
with sporting greetings from Berlin

Kurt Klamet
