Invitation to ICSF Congress and General Assembly 2022

Dear Madam/Sir, Dear ICSF Members,

we would like to invite you to the ICSF Congress 2022 and the General Assembly which will take place in Prague.

Again, we are convinced that we can present a challenging agenda that will be published in March 2022 (ICSF website).

We will be happy to welcome you to the ICSF Congress 2022. We hope the members of the International Casting Sport Federation will attend this event.

The Congress 2022 will take place at the Galaxie Hotel /Prague 6.

Participants will have to pay for the participation fee.

The Congress is organized by the ICSF in cooperation with the ICSF Secretary General.

We would appreciate if we could receive your registration as soon as possible. (Deadline: 2 March 2022 - see "Registration 2022")

The ICSF Congress is organized based on the Statute every 2 years. Due to the Covid-19 pandemic, it was postponed for the beginning of April 2022. In our case, all video conferences cannot substitute physical meetings and meetings of representatives of individual member states. Nevertheless, at present it is not possible to say with certainty whether the ICSF Congress will be held, due to the development of the pandemic, due to the epidemiological measures for travel of individual governments (vaccination, RT-PCR testing, antigen testing, quarantine, etc.).
