

## Report ICSF Technical Commission of 16.02.2022

The Commission has received a total of 15 applications. All applications were examined according to the following criteria:

What are national motions and none for ICSF.

What are motions for amendments to the Statutes that require 75% approval of the General Assembly.

What are almost identical motions.

Which of these almost identical motions are without additional costs for new equipment.

Which of these motions are future versions.

We have used the list of motions for the ICSF Congress and General Assembly 2022:
