

DECLARATION ON COOPERATION

between the

CONFEDERATION INTERNATIONALE DE LA PECHE SPORTIVE (CIPS)

and the

INTERNATIONAL CASTINGSPORT FEDERATION (ICSF) as an associated member of the CIPS

The two international organizations being aware of the fact that the future of the sport fishing and the angling in general needs cooperation to improve the defending and promoting of angling, and confirming that sustainability of the angling and so the fishing sport has an important mutual interest of the two organizations, for giving a new launch of their cooperation,

decided on strengthening the cooperation ,

for sharing information; particularly on all subjects aiming at defending and protecting the interests of the sport fishing,

for having common efforts in favour of the recognition by the IOC of the sport fishing and Castingsport as an Olympic sport,

for the ICSF participation on the important events organized by the CIPS or by an International Federation of CIPS, especially on the World Fishing Games (Mondiaux), with the best conditions possible on the basis of mutual agreements,

for working together in cooperation on the promotion and the sustainability of the sport fishing, for the future of the angling in the international organizations where both are members, included to make efforts for having common standpoints in the mostly part of subject possible.

Dated 24 October 2015 in Berlin

The President of the CIPS

FERENC SZALAY

The President of the ICSF

KURT KLAMET
